## Celebrate Mother's Day

That special day set aside to celebrate moms (and grandmothers, aunts, and other special women) is coming this Sunday. We have some ideas to share for making that day exceptional.

- The gift. There is no place better to shop for a unique and thoughtful gift than the retail shops in Webster Groves. Here you can find just about anything that mom would enjoy – from clothing to jewelry to plants to chocolate, and much, much more.
- The meal. With Webster Groves restaurants beginning to open fully and with so many outdoor patio settings, you can take mom to brunch, lunch, or dinner or order curbside and set a lovely table at home.
- The visit. Spending time with mom is probably the best gift you can give. This spring has been gorgeous and a walk in the neighborhood or one of our parks would be a great way to spend time together.
- The remembrance. If mom is miles away in another city, remember to call or facetime with her. If mom is no longer with you, pull out a photo and say thank you for her love and caring.
